

MATH - ADDITION

2 Digit Addition Worksheets

144 column sums: without carrying, then with carrying

	T	O
	4	7
+	3	5

Every sum is set out in columns with T and O over the top, so the tens always sit under the tens and the ones under the ones.

Sheets 1-6 need no carrying. Sheets 7-12 do, and only those pages show the small box where the carried ten is written.

Twelve sheets of twelve. Answers at the back.

US Letter - black ink only - class 1 and 2, ages 6-8

2 digit + 1 digit, no carrying

Add the ones first, then the tens.
