MATH - NUMBER FACTS

Addition and Subtraction Within 20

Make 10, doubles, bridging through ten and fact families

9 + 6 = 15

9 + 1 + 5

15 - 6 = 9

The facts to 20 are learned as strategies, not as a list. Sheets 1-2 are the pairs that make 10, 3-4 doubles and near doubles, 5-8 add across ten (9 + 6 is 9 + 1 + 5), and 9-12 take away across ten the same way, backwards.

Sheets 13-16 are fact families, 17-20 missing numbers and 21-24 a mixed review. Twenty-four sheets, answers at the back.

US Letter - black ink only - class 1 and 2, ages 5-7

Name _____ Date _____

Pairs that make 10

Hold up ten fingers. Fold down the first number, and the rest is the answer.
