Animal Names A-Z

26 worksheets - one animal for every letter

The alphabet again, but written as whole words.
A child who can trace A already has to think harder
to trace Ant, and harder still to trace Elephant.

X has no animal of its own in English, so it sits
inside Fox - said honestly on the page.

US Letter - black ink only - ages 4-7

Ant

A is for Ant. Trace the word, then write it on the empty lines.

Aa Aa Aa Aa Aa Aa

Ant Ant

Draw the ant in the box.
