MATH - MONEY

Counting Indian Money

Count coins and notes, make amounts and give change

Rupee coins of 1, 2, 5, 10 and 20 and notes of 10, 20, 50 and 100, drawn simply with the value on each. No real designs.

Sheets 1-4 count coins of one kind, 5-8 mixed coins, 9-10 notes, 11-12 coins and notes together, 13-14 circle the money to make an amount, 15-16 change from a note, 17-18 a shop.

Eighteen sheets. Answers at the back.

US Letter - black ink only - class 1 to 3, ages 6-8

Name _____ Date _____
