MATH - MONEY

Counting US Money

Count pennies, nickels, dimes, quarters and bills

Pennies, nickels, dimes and quarters, drawn simply with the value on each, plus one and five dollar bills. No real designs.

Sheets 1-4 count coins of one kind, 5-8 mixed coins up to a dollar, 9-10 bills, 11-12 coins and bills together, 13-14 circle the coins to make an amount, 15-16 change from a dollar, 17-18 a shop.
Eighteen sheets. Answers at the back.

A4 - black ink only - grades 1 to 3, ages 6-8

Name _____ Date _____
