# Days and Months

7 days and 12 months, one per page

Monday

June

The two lists every child is asked to write from memory, and the first long words most of them ever copy.

Capital letters throughout, because a day and a month always take one - that is half of what this book teaches.

US Letter - black ink only - ages 5-8

# Sunday

Day 1 of the week. Every day of the week starts with a capital letter.

Sunday Sunday

Write the short way people often write it.

Sun Sun Sun

# Monday
