Hindi Matra and Barakhadi Worksheets

Every vowel sign, its barakhadi, and words that use it

क का कि की

The varnamala book teaches the letters. This one teaches the matras that join a vowel to them, so a child can read words.

Sheet 1 is the whole matra chart. Sheets 2-12 take one matra each: copy and trace its syllables, then four everyday words. Sheets 13-14 fill the barakhadi grid, 15-16 join a letter and a matra, 17-18 read and copy words with mixed matras.

18 sheets. Answers at the back.

A4 - black ink only - class 1 and 2, ages 5-8
