# Left-Handed Tracing A-Z

26 worksheets with the model letter on the right

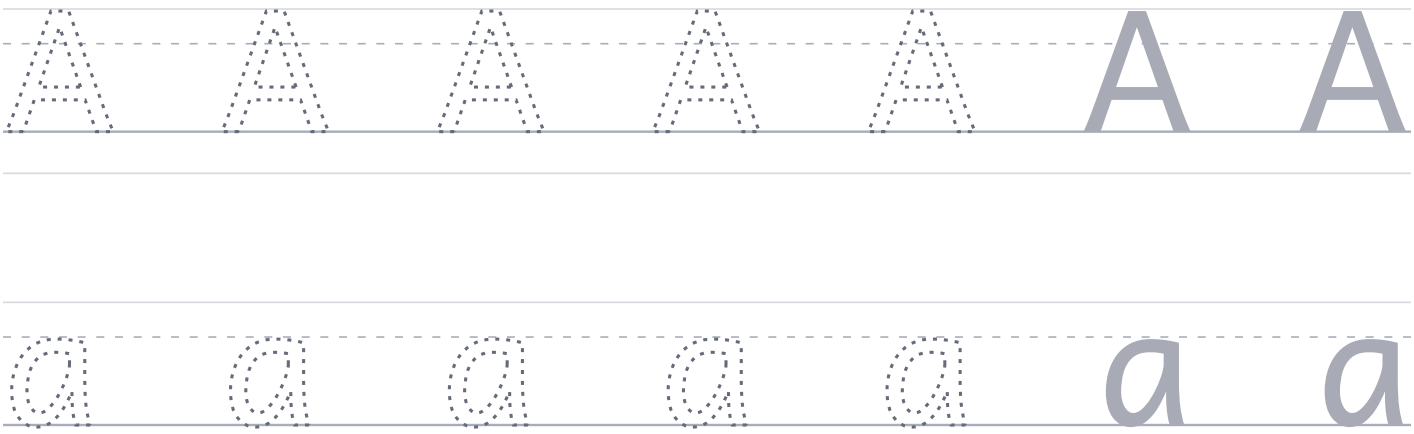

A left hand covers everything to the left of the pencil.
On an ordinary worksheet that hides the model letter
for the whole row, so the child copies from memory.

Here the grey models sit at the right-hand end instead,
in full view for every letter of the row.

US Letter - black ink only - ages 3-6

# Trace the letter Aa

The grey letters are on the right, where a left hand does not cover them.

The grey letters are on the right, where a left hand does not cover them.

Tip: turn the page clockwise about 30 degrees before starting.

# Trace the letter Dd

The grey letters are on the right, where a left hand does not cover them.

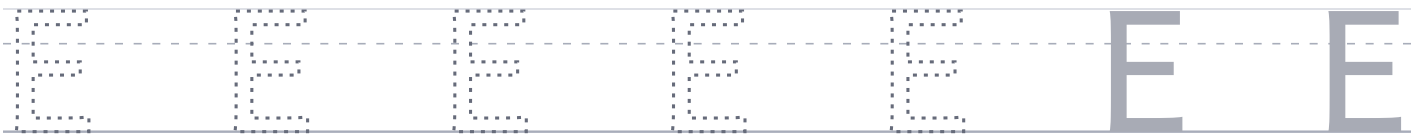

Tip: turn the page clockwise about 30 degrees before starting.

# Trace the letter Ee

The grey letters are on the right, where a left hand does not cover them.

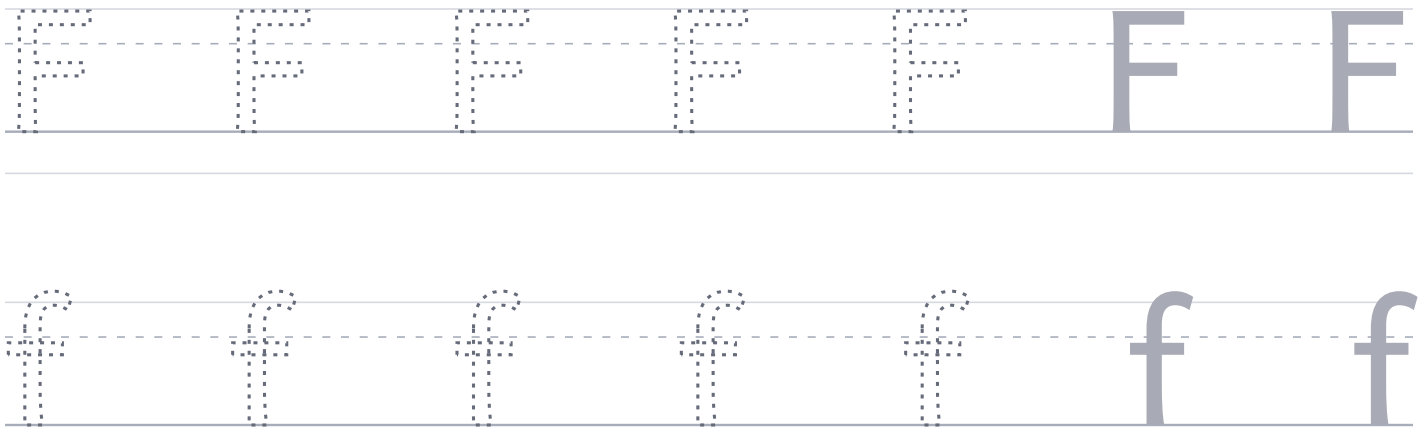

Tip: turn the page clockwise about 30 degrees before starting.

# Trace the letter Ff

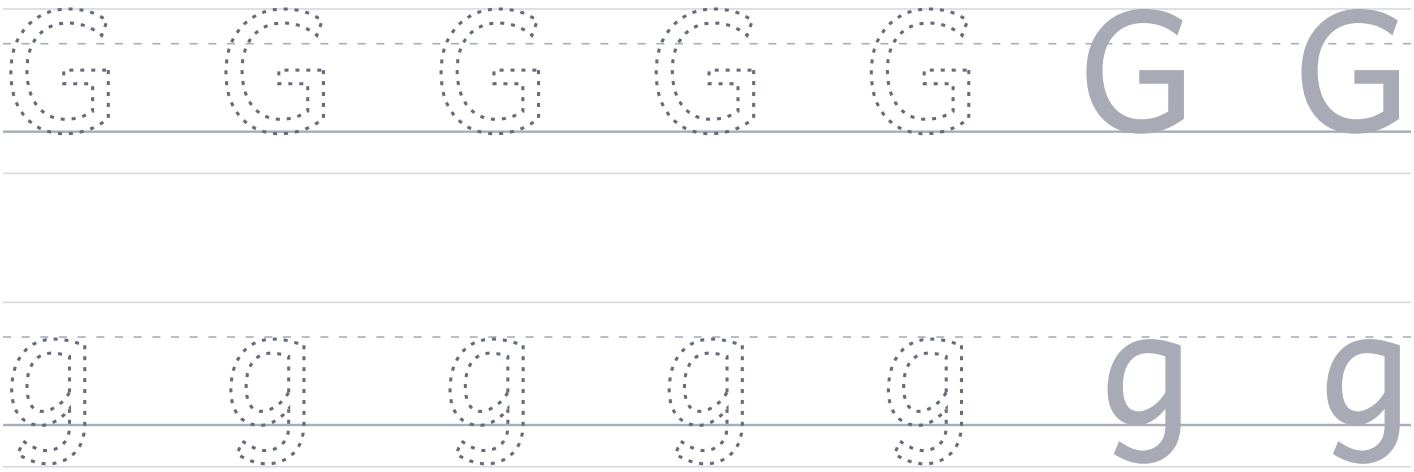

The grey letters are on the right, where a left hand does not cover them.

Tip: turn the page clockwise about 30 degrees before starting.

# Trace the letter Gg

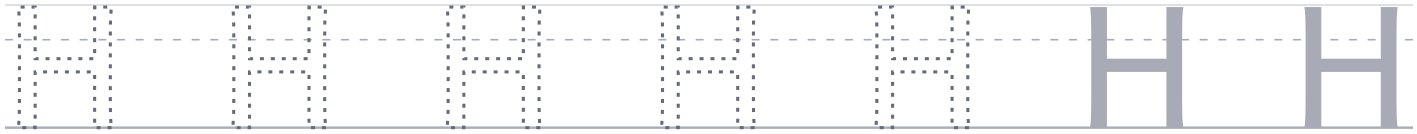

The grey letters are on the right, where a left hand does not cover them.

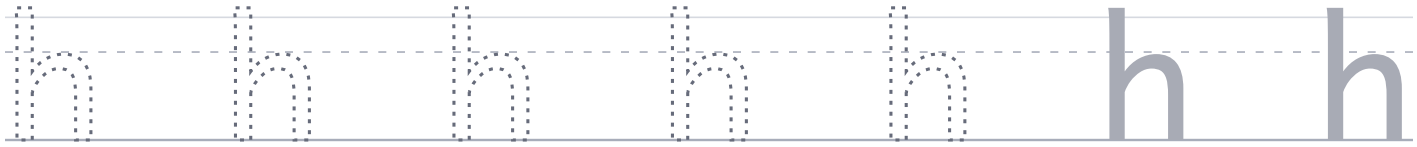

Tip: turn the page clockwise about 30 degrees before starting.

# Trace the letter Hh

The grey letters are on the right, where a left hand does not cover them.

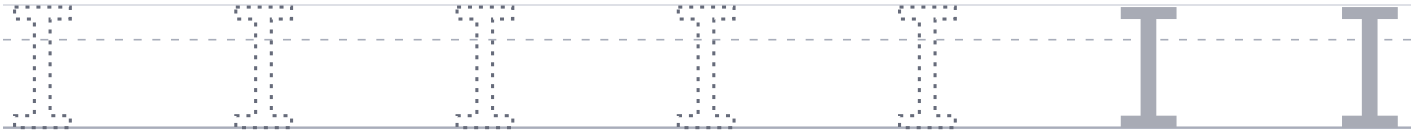

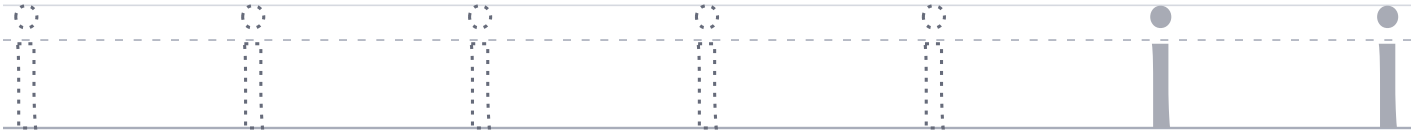

Tip: turn the page clockwise about 30 degrees before starting.

# Trace the letter Ii

The grey letters are on the right, where a left hand does not cover them.

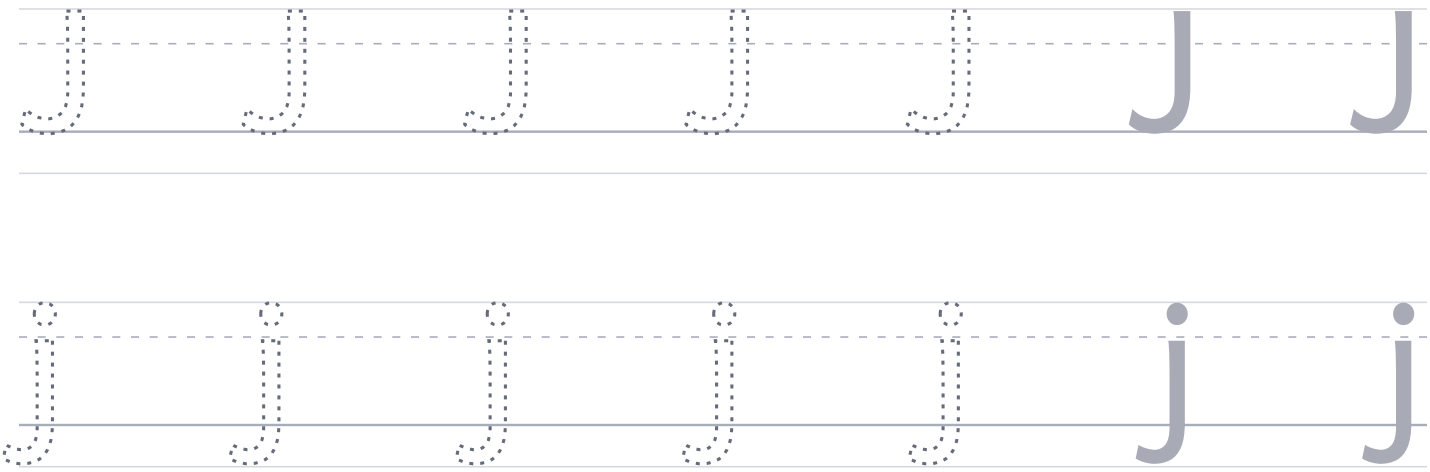

Tip: turn the page clockwise about 30 degrees before starting.

# Trace the letter Jj

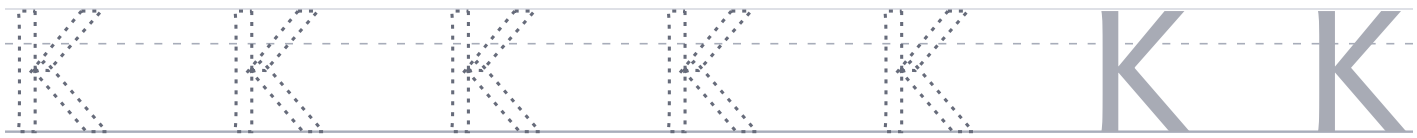

The grey letters are on the right, where a left hand does not cover them.

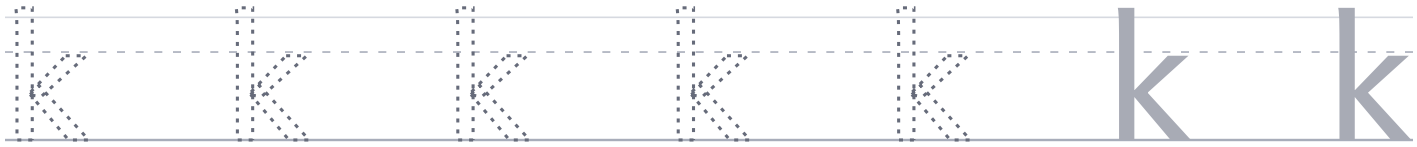

Tip: turn the page clockwise about 30 degrees before starting.

# Trace the letter Kk

The grey letters are on the right, where a left hand does not cover them.

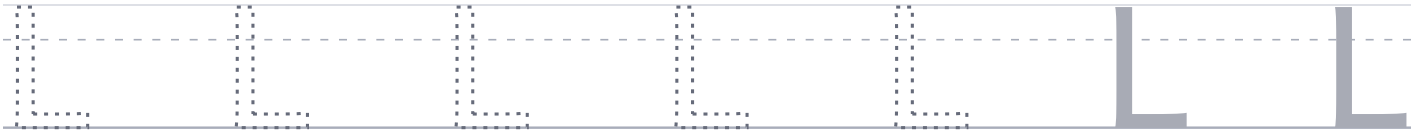

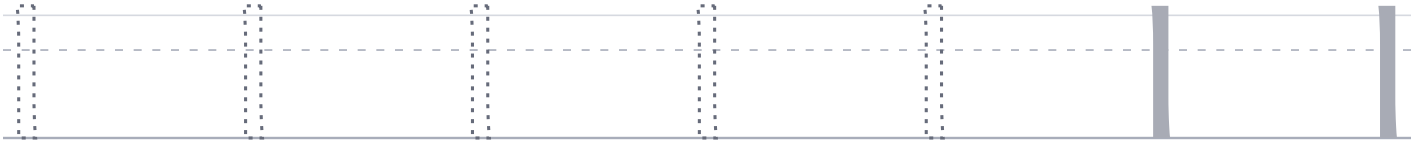

Tip: turn the page clockwise about 30 degrees before starting.

# Trace the letter Ll

The grey letters are on the right, where a left hand does not cover them.

Tip: turn the page clockwise about 30 degrees before starting.

# Trace the letter Mm

The grey letters are on the right, where a left hand does not cover them.

Tip: turn the page clockwise about 30 degrees before starting.

# Trace the letter Nn

The grey letters are on the right, where a left hand does not cover them.

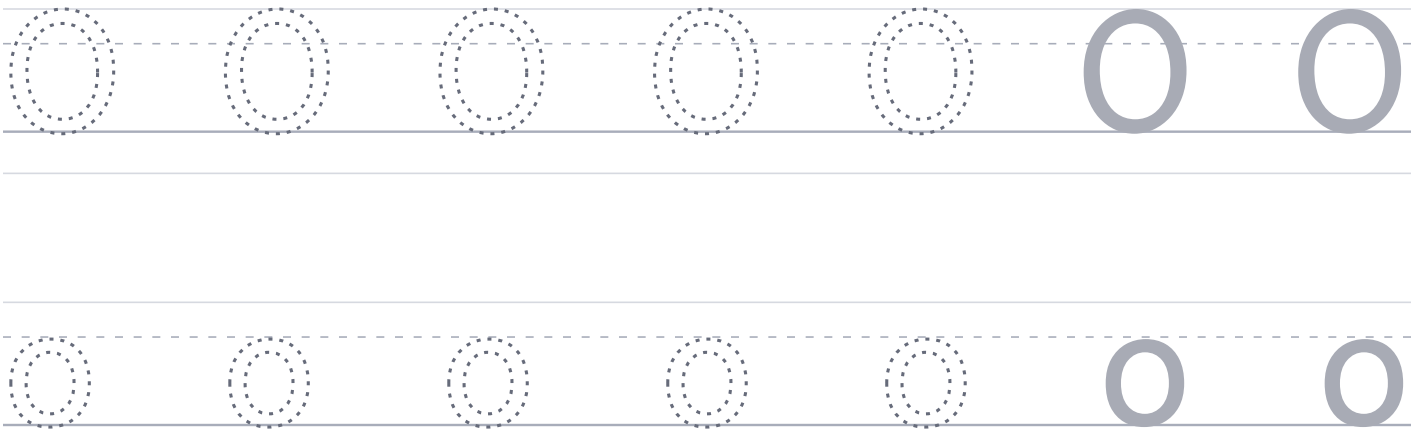

Tip: turn the page clockwise about 30 degrees before starting.

# Trace the letter Oo

The grey letters are on the right, where a left hand does not cover them.

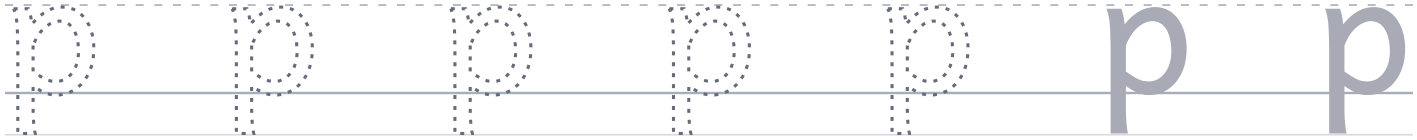

Tip: turn the page clockwise about 30 degrees before starting.

# Trace the letter Pp

The grey letters are on the right, where a left hand does not cover them.

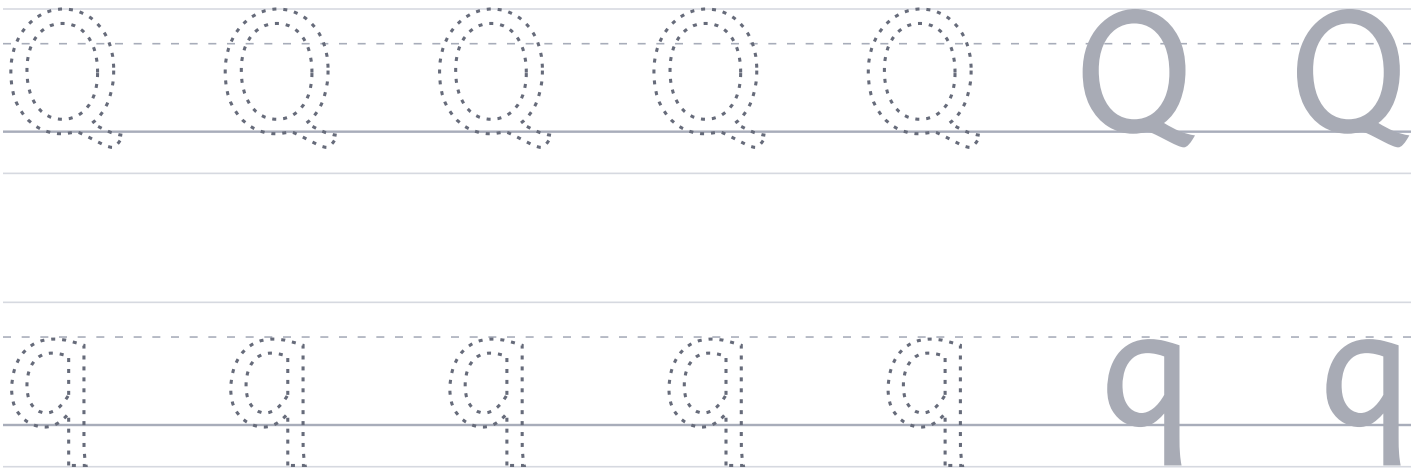

Tip: turn the page clockwise about 30 degrees before starting.

# Trace the letter Qq

The grey letters are on the right, where a left hand does not cover them.

Tip: turn the page clockwise about 30 degrees before starting.

# Trace the letter Rr

The grey letters are on the right, where a left hand does not cover them.

Tip: turn the page clockwise about 30 degrees before starting.

# Trace the letter Ss

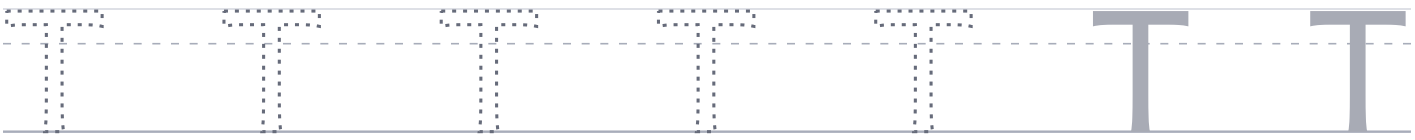

The grey letters are on the right, where a left hand does not cover them.

Tip: turn the page clockwise about 30 degrees before starting.

# Trace the letter Tt

The grey letters are on the right, where a left hand does not cover them.

Tip: turn the page clockwise about 30 degrees before starting.

# Trace the letter Uu

The grey letters are on the right, where a left hand does not cover them.

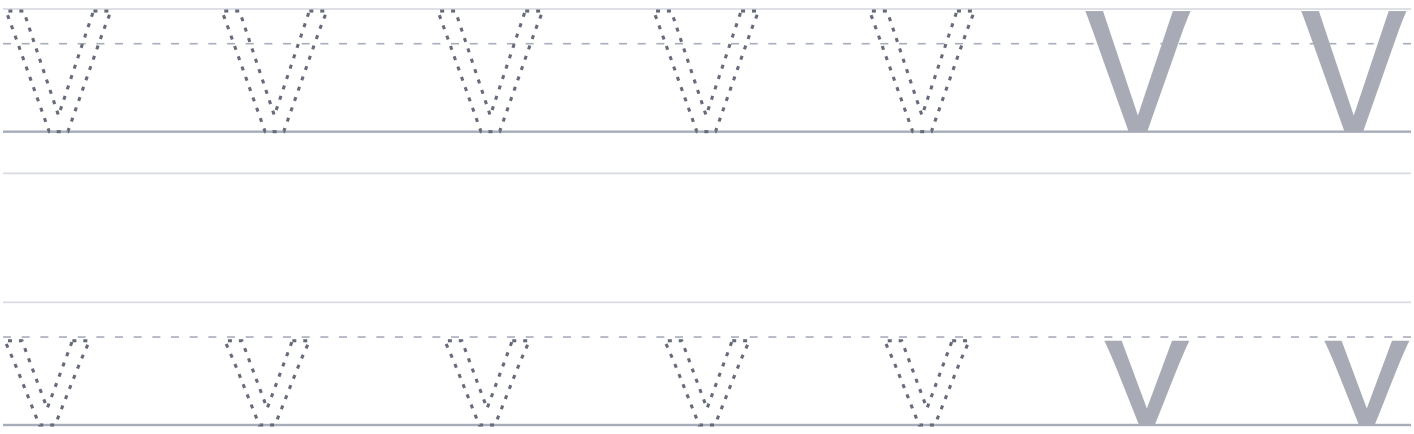

Tip: turn the page clockwise about 30 degrees before starting.

# Trace the letter Vv

The grey letters are on the right, where a left hand does not cover them.

Tip: turn the page clockwise about 30 degrees before starting.

# Trace the letter Ww

The grey letters are on the right, where a left hand does not cover them.

Tip: turn the page clockwise about 30 degrees before starting.

# Trace the letter Xx

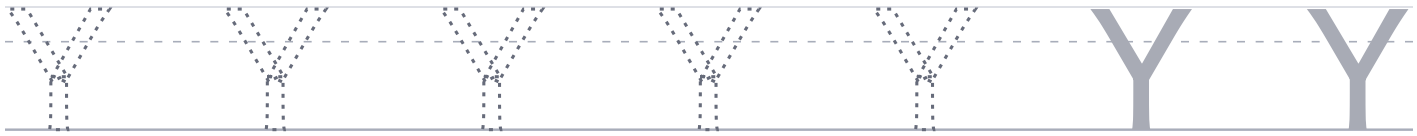

The grey letters are on the right, where a left hand does not cover them.

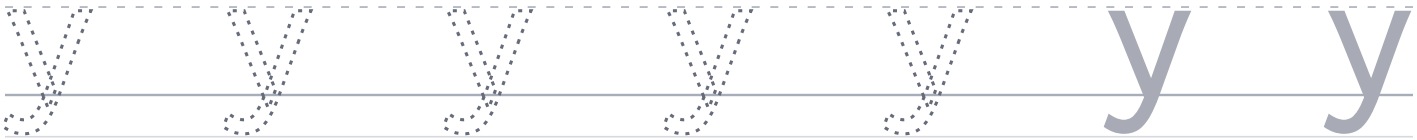

Tip: turn the page clockwise about 30 degrees before starting.

# Trace the letter Yy

The grey letters are on the right, where a left hand does not cover them.

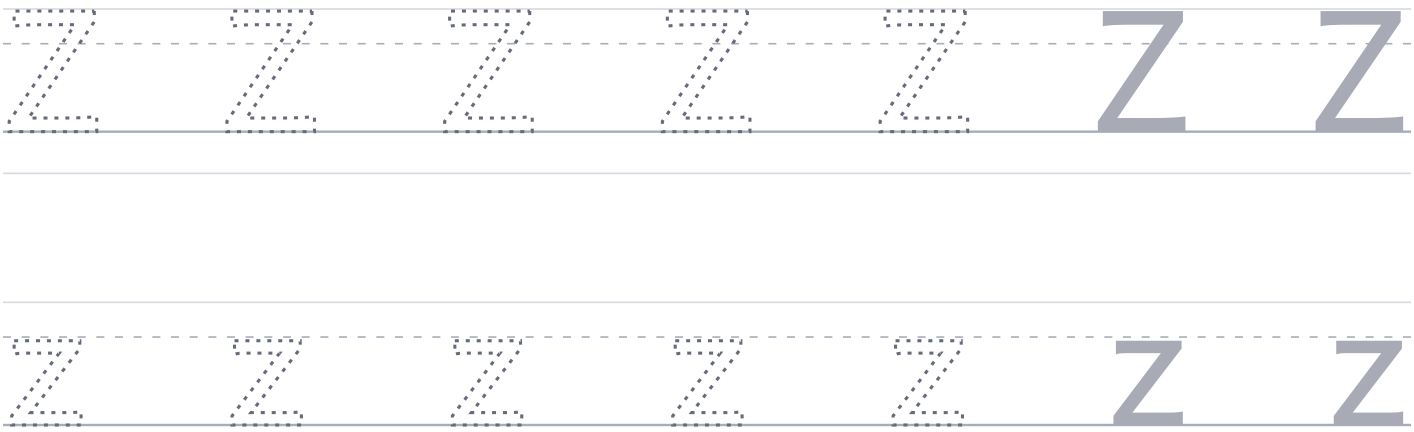

Tip: turn the page clockwise about 30 degrees before starting.

# Trace the letter Zz

The grey letters are on the right, where a left hand does not cover them.

Tip: turn the page clockwise about 30 degrees before starting.
