

EARLY SKILLS - MATCHING

Matching Worksheets for Nursery

Twelve sheets: pictures, shapes, shadows, numbers

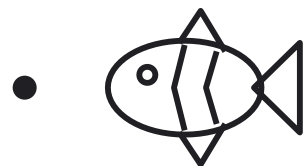

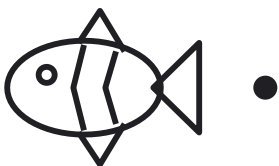

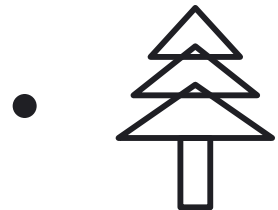

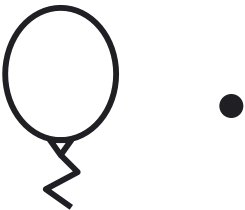

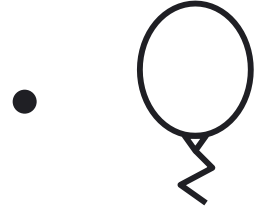

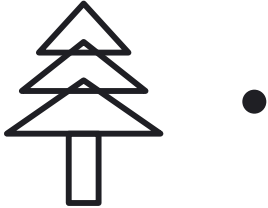

Matching is the first thing a nursery child does with a pencil that has a right answer: look at two things, decide they are the same, and draw a line to say so.

It gets harder by what has to be ignored. Same picture first, then the same shape at a different size, then a picture and its shadow, then a numeral and the dots it stands for.

US Letter - black ink only - nursery, LKG and preschool, ages 3-5
