LITERACY - PHONOLOGICAL AWARENESS

Rhyming Words

48 questions over twelve sheets

cat

hat | dog | sun

Hearing that cat and hat end the same way is the single best predictor of how easily a child will learn to read, and it is a listening skill rather than a reading one.

Read all four words out loud before choosing. A child who reads them silently is doing spelling, which is a different exercise.

US Letter - black ink only - ages 4-6

Name _____ Date _____

Circle the rhyme

Say all four words out loud, then circle the one that rhymes.

cat

hat | sun | dog

dog

bed | log | cat

sun
