Vehicles to Trace and Color

12 worksheets - one vehicle a page, word and picture together

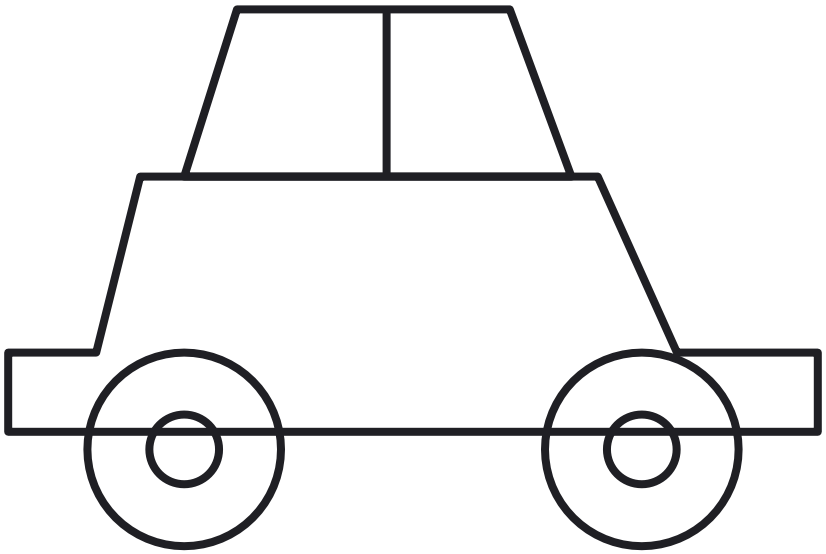

Every page holds one vehicle drawn in thick outlines,
and its name on handwriting rules underneath.

Color the picture first. A child who has just spent
four minutes looking at a truck writes the word
with the thing still in mind, which is the whole point
of putting them on the same page.

US Letter - black ink only - ages 3-7

Car

Color the car, then trace its name underneath.

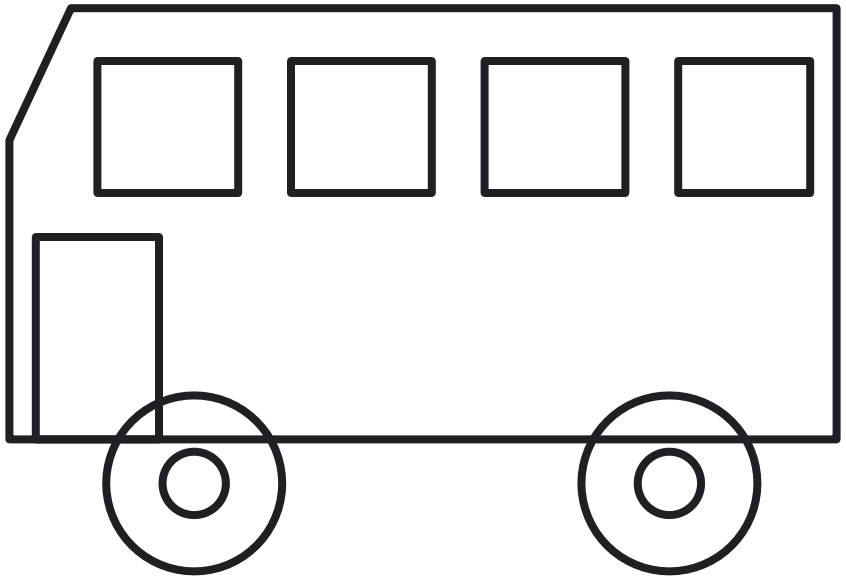

Trace the word, then write it yourself.

Car Car Car Car Car

Bus
